****Orchestra**- Mrs Leat will make contact with those children eligible to join. This club is for anyone who has tuition in a musical instrument or attends Treble Recorders or Recorder Ensemble.

*** **Next Step recorders**- this is for children who played in the Beginner Recorder Group last academic year.

If you are unsure as to which Recorder club your child should be in, apply for the one you think is correct and Mrs Leat will adjust as necessary.

Thank you.
