### **3.5 Class teacher**

Class teachers are responsible for recording attendance on a daily basis, using the electronic attendance system.

### **3.6 School admin staff**

School admin staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the home/school link worker in order to provide them with more detailed support on attendance where appropriate

### **3.7 Parents/carers**

Parents/carers are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 9am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day

### **3.8 Pupils**

Pupils are expected to:

- Attend school every day on time

## **4. Recording attendance**

### **4.1 Attendance register**

We will keep an attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8:45am on each school day.

The register for the first session will be taken at 8:45am and will be kept open until 9:15am. The register for the second session will be taken at 12:45pm/1:00pm/1:15pm (Key Stage 1/Year 3 and 4/Year 5 and 6) and will close at 12:55pm/1:10pm/1:25pm respectively.

## **4.2 Lateness and punctuality**

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code
- Persistent lateness will be monitored on a weekly basis. Families who are persistently late will be sent a message to tackle the lateness. Formal meetings will be held should the persistent lateness continue.

## **4.3 Unplanned absence**

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9:00am or as soon as practically possible by calling the school admin staff (see also section 7).

All parents/carers are expected to notify the school office of absence through a telephone call.

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

## **4.4 Planned absence**

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment and provides evidence of the appointment (e.g appointment card or email). All pupils are expected to attend school prior to and/or after the appointment if the child is well enough to do so.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

## **4.5 Following up unexplained absence**

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason.
- If the school cannot reach the parent/carer we will call the pupil's other emergency contacts and email parent/carers to request they telephone the school.

- If the school have been unable to make contact with parent/carers or emergency contacts and are concerned for the welfare of the pupil, where appropriate a member of staff will visit the pupils home address
- If they are still unable to make contact, they may request a welfare check from the police.
- The school may contact any social care involvement where relevant.  
Once contact has been made the admin team will:
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

## 4.6 Reporting to parents/carers

The school will regularly inform parents/carers about their child's attendance and absence levels on a termly basis.

## 5. Authorised and unauthorised absence

### 5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as a one-off event which is unavoidable, examples may include the death of a close relative, attendance at a funeral, respite care of a looked after child, a housing crisis which prevents attendance.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least two weeks before the absence by completing an application form for leave of absence from school. This can be requested from the school office. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness (including mental illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents/carers belong. If necessary, the school will seek advice from the parents'/carers' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, barges (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- Open day or transition day(s) at a new school
- Music examinations
- Whilst any child may be off school because they are ill, sometimes they can be reluctant to attend school. Any problems with regular attendance are best resolved between the school, the parents and the child. If your child is reluctant to attend, never cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and usually make things worse.

You can support your child by:

- Ensuring regular and early bedtimes
- Helping with homework
- Having uniform and equipment prepared the night before
- Providing a healthy breakfast
- Reporting any academic or social concerns promptly
- Retaining open & honest communication with your child's school
- Being positive about school (even if your own experience was less than positive)

## 5.2 Legal sanctions

The school or local authority can fine parents/carers for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent/carers must pay £80 within 21 days or £160 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

## 6. Strategies for promoting attendance

Every half-term the 'attendance cup' is awarded to the class with the best attendance for that particular half-term.

## 7. Attendance monitoring

Both the Headteacher and attendance monitor will regularly discuss the attendance of all pupils on a fortnightly basis.

Any causes for concern will be highlighted and letters will be sent out to parents so that attendance can quickly improve. These families will be monitored closely on a weekly basis to identify improvements in attendance.

Direct communication will be made to families of concern who already have close links with the Pastoral team so that the information can be disseminated both sensitively and supportively.

Families where children are deemed persistently absent will be asked to meet with the Headteacher so that a school/parent attendance contract can be put in place.

### 7.1 Monitoring attendance

The school will

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average and share this with the governing board.

## **7.2 Analysing attendance**

The school will

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

## **7.3 Using data to improve attendance**

The school will

- Provide regular attendance reports to class teachers and other school leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

## **7.4 Reducing persistent and severe absence**

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents/carers of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance

## **8. Monitoring arrangements**

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum two years by the Headteacher. At every review, the policy will be approved by the full governing board.

## **9. Links with other policies**

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
