1. I can sail the ocean wide
Ride the waves of the everchanging tide,
Ev'rything I need comes from deep inside,
I've got the magic in me, me, me.

2. I can cross over desert sand,
Leap out, trust in where I land,
If I need help then I'll take your hand,
I've got the magic in me, me, me.

*I've got the magic in me, me, me,
I've got the magic in me, me, me,
To be whoever I want to be,
I've got the magic in me, me, me.*

3. Walk the length of the longest beach,
Learn lessons that I can teach,
I know nothing is out of my reach,
I've got the magic in me, me, me.

*I've got the magic in me, me, me,
I've got the magic in me, me, me,
To be whoever I want to be,
I've got the magic in me, me, me.*

Just rap along.

There's nobody in the world (*Hey!*)

That's quite like me,
I'm individual, yeah,
I'm really unique,
I can be what I wanna be, (*Yes!*)
I'm making history, (*Yes!*)
Make new discoveries
Because this life's a mystery, (*Uh-huh!*)
I've got pride and passion (*I do!*)
And I've got big dreams,
I've got determination,
Nobody can stop me. (*No way!*)
So take your sparkle, take your shine,
And hold it in the air,
Now spin around and let it go,
There's magic ev'rywhere, (*Woo-hoo!*)
And it starts right here.

*I've got the magic in me, me, me,
I've got the magic in me, me, me,
To be whoever I want to be,
I've got the magic in me, me, me.*

4. Step forward on my own two feet,
Listen closely to people I meet,
Feel the power, it can't be beat,
I've got the magic in me, me, me.

I've got the magic in me, me, me,
I've got the magic in me, me, me,
I've got the magic in me, me, me,
I've got the magic in me, me, me.

*I've got the magic in me, me, me,
I've got the magic in me, me, me,
To be whoever I want to be,
I've got the magic in me, me, me.*

*I've got the magic in me, me, me,
I've got the magic in me, me, me,
To be whoever I want to be,
I've got the magic in me, me, me.*

To be whoever I want to be,
(Just put your mind to it!)
There's no one else I would rather be,
(You know you can do it!)
Best version that I can be,
(The very best, yes!)
Of magical me, me, me.
