What does the SNSA do?

We help to put on events for the children to enjoy which wouldn't be able to happen without the time and effort of everyone involved.

Events also help to raise money for the school. A recent example is £3000 spent to transform Year 2's outdoor and indoor space, providing the children with rich, hands-on learning experiences that enhance their development across the curriculum throughout Key Stage 1. Mrs Swan says it is already making a real difference to their learning and giving every child the best chance to thrive in school.

Your school, your voice

Everyone is welcome to get involved in SNSA activities and events. These happen throughout the year and rely on volunteers. Here are some of the more official roles that are currently vacant:

- Trustee
- Co-Secretary
- Co-Treasurer

Come along to our AGM on Wednesday 12th Nov at 7:30pm in the school hall to hear in more detail about what we've been doing, what we are planning, and how you can get involved.

Looking ahead

Christmas will be here before we know it. We have a yearly tradition of celebrating St Nicolas Day by giving every child a gift bag which the SNSA buys and packs. And watch this space for the next disco date!
