

Year 3 Term 3 Homework Grid: Gods and Mortals

	English	Maths	Topic	Science: Forces and Magnets	Art / DT
<p>Mild</p> 	<p>How did the Greeks read and write? How is the alphabet similar or different to the English alphabet?</p> <p>Make a name plaque using the Greek alphabet.</p>	<p>Design a Greek vase using a symmetrical pattern.</p>	<p>Create a Fact File on a number of your favourite Greek Gods that live upon Mount Olympus. You could also invent your own Greek God.</p>	<p>The Ancient Greeks were the first to discover the magnetic rock, magnetite.</p> <p>Do an experiment at home to find out which materials are magnetic and which were not.</p>	<p>What is a labyrinth? Where could you find one in Ancient Greece? Design and make your own Labyrinth. It could be made of wood or string.</p> 
<p>Medium</p> 	<p>Why do people want to go to Greece on holiday? Create a travel brochure advertising holidays to a place in Greece.</p> <p>Use lots of interesting facts and descriptions as well as pictures from travel brochures or the internet showing ancient buildings and interesting places to visit.</p>	<p>What did the Ancient Greeks like to eat? Find a Greek recipe (ancient or modern) and follow it carefully.</p> <p>Weigh and measure the ingredients yourself.</p> <p>Remember to take photos and tell us how tasty it was!</p>	<p>What was it like to be a child in Ancient Greece?</p> <p>Research what it was like for Athenian and Spartan children.</p> <p>Which would you have preferred to have been and why?</p>	<p>Based on the story of Daedalus and Icarus, can you design a parachute that would help Icarus safely float back down to the ground without getting hurt? Test out your design by using materials from around your home and using an egg for Icarus! Will he survive the fall?</p>	<p>What can we learn from Ancient Greek pottery?</p> <p>Make a replica Greek pot or plate</p> 
<p>Spicy</p> 	<p>Why did the Greeks love to tell stories?</p> <p>Read and re-write a Greek legend.</p> <p>Can you give it a modern twist?</p>	<p>Olympic Challenges! It took Usain Bolt just 9.58 seconds to run 100 meters at the Olympics in 2009. Measure out different distances and using a stopwatch, record the time taken to run them. Record your results in a table.</p>	<p>Who were the great Greek thinkers? Find the names of some Greek inventors or philosophers. Research what they did and think about a creative way to present your findings.</p>	<p>In Greek mythology, Sisyphus was punished by the gods. He had to roll a huge stone to the top of a hill. Whenever he reached the summit, the stone would roll back down and Sisyphus would have to begin his tiring journey up the hill once more. How far & how fast can you push a stone on different surfaces? Which surface is the easiest to push a stone on? Can you change a surface so it is easier to move the stone?</p>	<p>Make a Spartan Helmet</p>   <p>Make an ancient Greek Helmet</p>

Year 3 Term 3 Homework Grid: Gods and Mortals

Pick **1** task to complete from the **Gods and Mortals** homework grid. You are welcome to complete more if you would like to. We will display your wonderful work in class. **All work must be handed in by Monday 9th February.** If you need any help with your homework or support with resources, let us know.

Weekly Tasks:

Spelling: For Term 3, please continue with the spelling games on EdShed focussing on the Year 3 rules and patterns we are learning in class.

Reading: Read for a few minutes at home 3 x times per week. Ask an adult to sign your reading record so that we know you have read.

Times Tables: Complete your Times Table Rockstars sessions every week ready for our Friday challenge! If you cannot log in at home, let your class teacher know.
